SUBJECT: WisVote Updates – 2019 Sprint 2

An update of WisVote was completed on March 13, 2019. This new version, 2019 Sprint 2, includes several bug fixes reported by clerks. The following items are resolved with this update:

- At clerks' requests, sub-navigation tiles, within the election, were reordered. For example, Absentee Applications and Absentee Ballots now appear next to each other.
- Improvements were made to the Badger Book software in preparation of the April Election.
- Improvements were made to MyVote to prevent voters from creating absentee ballot requests for their old voter records instead of their current voter records.

Please contact the Elections Help Desk at elections@wi.gov or 608-261-2028 if you have any questions regarding this update.
